Terms & Conditions for Referral Incentive Campaign 2010

All eligible and completed contract referrals who meet the criteria outlined below will receive a cash reward of \$300 paid on the week that the referral enters the village. To be eligible to claim your cash reward, an introduction card must be filled in and signed by both parties. (The current resident and the new resident).

An introduction card must then be attached to the signed contract fully completed by the new resident. All other formalities as required by UC Accommodation Student

Village must also be completed at this time, including payment by the new resident of the deposit and the first two weeks rent.

To be a 'new resident' the student must not currently reside in any University of Canterbury student accommodation. Any introduction of a student who currently resides or who has already applied for accommodation in any student accommodation on campus at the University of Canterbury is not eligible for the purpose of the reward scheme.

For the avoidance of doubt, student accommodation within the University of Canterbury includes the residential colleges of Bishop Julius, College House and Rochester & Rutherford as well as CLV properties University Hall, Ilam Apartments and Sonoda Christchurch Campus.

Whilst current residents are encouraged to introduce as many new residents as they can, each 'new resident' can only be introduced ONCE by ONE current resident. For the purpose of this reward scheme

recognition will be given to the 1st current resident who introduces a new resident.

New residents do not have to be a University of Canterbury student but must be in tertiary study in 2010.

Only current UC Accommodation Student Village residents are eligible to participate in the reward scheme. The reward scheme is not open to staff (including RAs) of Campus Living Villages NZ Ltd or their families. Campus Living Villages NZ Ltd reserves the right to reject any new resident

application. Rooms will be offered on a 'first in first served' basis and are limited to the number of rooms available at the time of the promotion. Rewards will be awarded on the week that the new resident moves into the village. Campus Living Villages NZ Ltd accepts no responsibility for any tax implications that may arise from the provision of rewards to current residents under this promotion. This reward scheme is only valid for applications received from 22 February until 5th March 2010.
